

Agile Home Office Desk

Elevate your home office to a new level of comfort and convenience. Flexible. Ergonomic. Attractive. Affordable.

Attractive, Sturdy Design

The stylish worktop comes in designer finishes with softened, round edges. The heavy-duty, welded frame holds up to 250 lbs!

Thoughtful Ergonomics

Work happy, healthier and more productive with the workstation that caters to you. Flexible features allow you to personalize your posture for ongoing efficiency all day long.

Easy-to-Clean Surfaces

The waterproof, chemical-resistant worksurface is easy to clean and disinfect. No one likes cleaning ... so we made it easy.

Secure Supply Drawer

Vented, lockable, low-profile drawer with padded wrist rests fits laptops, electronics, and supplies. Rear cable management ports make charging a breeze.

Quick & Easy Assembly

Your workstation comes with detailed instructions and is built in a modular fashion for quick and easy assembly.

Mobile Workstation

Dual wheel swivel casters with step locks make your workstation quick and easy to move and secure in any location.

Comfortable Viewing

Fully articulated, easy adjust monitor arms allow you to angle, swivel and tilt screens to your perfect viewing comfort on-the-fly (arms with 75 and 100mm standard VESA mount).

Accessory Tower

The sturdy monitor tower with wire management lets you route cables out of sight. Mount your camera right on top for optimal videoconferencing.

Phone stands

Supply cups

Pen wells

Electric Height Adjust

Simply push a button to adjust workstation height from 29" up to 49". Sit? Stand? Something else? Just one simple click to comfortable posture throughout the day!
